## DANIEL S SON OF MAN IN MARK (PAPERBACK)

Pickwick Publications, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Through the use of current intertextual methods and narrative criticism, this book offers a fresh examination of the Son of Man in Mark, developing the conclusions of Morna Hooker s 1967 work, *The Son of Man in Mark: A Study of the Background of the Term Son of Man and Its Use in St. Mark s Gospel*. Contrary to recent scholarship that argues Mark s Son of Man does not make any thematic or christological contribution to the Gospel and/or that the OT background of the Son of Man phrase is irrelevant, this work demonstrates that the Son of Man, when examined in light of Daniel 7, advances one of Mark s major themes: the transition of the locus of Yahweh s saving presence from the Jerusalem temple to a new covenant community that is not only founded on the Son of Man s sacrificial death but also is vindicated at his coming in the heavenly temple. Building on Hooker s analysis of the Son of Man sayings in Mark, Snow argues that the term as used by Mark redefines the meaning of temple and shapes the new covenant community around the suffering and vindicated Son of Man. Those weary of the old arguments will find this thorough, intertextual, and narrative study adds to their understanding of Mark. A significant addition. --Kent Brower, Vice Principal, Senior Research Fellow, and Senior Lecturer in Biblical Studies, Nazarene Theological College, Manchester In this detailed study, Robert Snow takes on a tough and still contested topic. He interacts thoughtfully with pertinent primary sources and scholarly discussions; and he offers a cumulative and challenging argument. The resulting work requires careful consideration in ongoing efforts to correlate constructively the important...
