Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

For sixteen-year-old Danielle DeCorso, the old house in Glastonbury was an eerie place to grow up. Coping with mental health challenges exacerbated by a traumatic family dynamic, Danielle watches from the window for two men in a dusty black sedan who keep circling the house and harassing her with phone calls. The two predators drugged her and her cousin, Angie, and then lured them from Pleasure Beach in Bridgeport to a secluded cottage on Long Beach West. She remembers feeling dizzy, the room spinning. She recalls screaming, crying, fighting, and then slipping in and out of consciousness. Angie, however, has no recollection of the incident. When Danielle attempts to jog Angie's memory and convince their best friend, Farran, that the two strangers had victimized them, no one seems to believe her. Alone in her pain, Danielle remains guarded, obsessed, and withdrawn. Soon she is sinking deeper into a tumultuous world of adolescent isolation and change. Grief, guilt, and anger send her spiraling into an even darker place. Tormented by terrifying nightmares, she fears she will lose her sanity, or possibly her soul. Is she having post-traumatic stress hallucinations, as one of her friends suggest, or are her recurring nightmares as real as they seem? Trapped in an unyielding emotional bondage, Danielle continues the fight to reclaim her power. Startling revelations awaken her newfound spirit, inspiring a once naive girl to grow into a woman of defiance and courage. *Shattering Truths* is a revised edition of *Deadly Veils* Book One, previously published by Kyrian Lyndon in 2016 under the title *Provenance of Bondage*. The previous edition is no longer available. A...
