Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1909 edition. Excerpt: .one may perhaps catch a glimpse of the conception that a feeling so largely developed in him was merely latent in others; and that in the evolution of our race there might become normal and natural in all men a yearning of companion for companion, a love of friend for friend, that would be among the highest manifestations of the divinity within us. And deeper and more mystical still, a doctrine that (as the love of sex was bound up with life, so this greater, more basic love was bound up with death. The former plays its part, fulfils its function, and has its end. The latter, less obvious in its aim, looks for-ward beyond the term of life for the fulfilment of its mysterious power. The love of sex wanes with age and disappears with life, but perhaps not so the other,...
