YOUR BRAIN ON INK: A WORKBOOK ON NEUROPLASTICITY AND THE JOURNAL LADDER (PAPERBACK)

ROWMAN LITTLEFIELD, United States, 2016. Paperback. Condition: New. Workbook. Language: English . Brand New Book. The science of neuroplasticity demonstrates that our brains can and do change. We each not only have the power but use the power to create new neural pathways - for better or for worse. This science has demonstrated that we can create pathways that lead to resilience, vitality, greater peace of mind, and improved well-being. Self-directed neuroplasticity is a method of accelerating neurological change through...
