Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Border Patrol, within DHS s CBP, is the federal agency with primary responsibility for securing the national borders between the U.S. ports of entry (POE). DHS has completed a new 2012-2016 Border Patrol Strategic Plan (2012-2016 Strategic Plan) that Border Patrol officials stated will emphasize risk management instead of increased resources to achieve border security and continue to build on the foundation of the 2004 National Border Patrol Strategy (2004 Strategy). This statement highlights key issues from prior GAO reports that discuss Border Patrol s progress and challenges in (1) implementing key elements of the 2004 Strategy and (2) achieving the 2004 strategic goal to gain operational control of the border. This statement is based on GAO reports issued since 2007 on border security, with selected updates from April and May 2012 on Border Patrol resource needs, actions taken to address prior GAO recommendations, and efforts to develop performance measures. To conduct these updates, GAO reviewed agency documents such as operational assessments and interviewed DHS officials.
