Reviews

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Leonie Collins)

OUR HIDDEN GALAXETTE (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Our Hidden Galaxette, now on its second edition, is the first book of poetry written by prize-winning author Gilbert Luis R. Centina III. Cloistered within this seminal volume are hymns of praise of nobler geometries, jeremiads against the gilt nihilism of contemporary society, epistles to friends turning and turning in a spin of madness, tragic observations on lichens feasting on purple robes. In this lyric cloister, Teilhard de Chardin walks with Saint Genet. With the latter, he does not see synoptic, being Genet's advocatus diaboli while expressing a wish to be Chardin's disciple. This is a type of Christian literature sans the megalophones of Blay, the mystic ecstasies of St. John of the Cross or the pastoral paeans of Gerard Manley Hopkins but endowed with a tremulous lyricism which is entirely its own.
