Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

CYBER SHOCK

[DOWNLOAD](#)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Cyber Shock, Tommy Donbavand, Alan Gibbons, Natalie Packer, Mark was holding his knee. His trousers were torn, and I expected to see loads of blood where he'd cut himself - but there was none of that. Mark's skin was ripped back and, inside his knee, there was a long, metal bar and loads of coloured wires. Al loves hanging out with his new friend Mark Tenby at school. Some of the other students think he's a bit odd, but Mark and Al have so much in common. It isn't until a game of football goes wrong that Al starts to understand quite how odd Mark really is. Why does he have wires where his knee should be? And why does he keep getting calls from 'Mother'? This sci-fi mystery is written by Scream Street author Tommy Donbavand. *Help Key Stage 3 students move from Level 3c to Level 3b in reading. *Support comprehension with the bold, age-appropriate illustrations. *Encourage shared and guided reading using the ready-made tasks and discussion points on the activity pages at the back of the book. * Suitable for Key Stage 3 students with a reading age of 8 years and 6 months.
