

## The Greater Gift

I have felt a deep impression to share my story. I'm not sure why really. It is one of the hardest things I have ever attempted, and, because of that, have continually put it off. I don't want to do anything that would appear I was elevating myself or my experiences. All of us who recognize the authority of God upon our lives, and choose to live under it, have experiences worth sharing. They are like pathways that help to lead others safely across the pitfalls of life. In this way, our lives are like bridges, and, when we share them and the things that God has taught us through them, we are like bridge builders. I don't think for one minute that my life's story is more important than anyone else's, for I know I am no one. Yet, in some ways, I am everyone, and so are you.

The Greater Gift is a refreshing reminder that our spiritual journey is defined by experiences, some of which we may not fully understand or appreciate until much later in life. This book celebrates the differences and provides a soothing undertone that God loves each of His children despite our imperfections. A perfect read for new parents! A gift to all who read!

Jennifer shares her spiritual journey in this small book. As a wife, mother, adoptive mother, cancer survivor, and business leader she filters her experience through many lenses. You will be blessed reading her thoughts.

—Dr. Lyndell P. Worthen, Jr.

Jennifer takes you on a fascinating narrative journey through her life — the ordinary and the extraordinary — and the way she unpacks it and lets it help you see more deeply and live more intentionally into your own journey.

—Dr. Ray Higgins, Coordinator,  
Cooperative Baptist Fellowship of Arkansas

Jennifer Kinard Wylie is the author of *The Greater Gift*, her first book. Having the vision of a leader and the heart of a servant, she delights in improving the quality and beauty of life and in strengthening others regardless of her role.

Jennifer's world centers on her faith in Jesus Christ, her family, and her community of friends and neighbors. Home is in the rural setting of South Arkansas just outside of El Dorado where she resides with her husband, Phil, and their children, Olivia, John, and Sam.

### Reviews

*It is one of the most popular books. I am quite late in starting reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
