GATEWAYS TO FINANCIAL PROSPERITY: RELEASING YOUR BLESSINGS FOR SUPERNATURAL ABUNDANCE (PAPERBACK)

Kharis Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Financial prosperity is a Kingdom right for every believer. Knowing it is one thing; living its reality is another. It is in the light of this eternal truth that the author has taken pains to gather very relevant material to compile this book-a rounded treatise on biblical principles for financial prosperity. Importantly, the book walks the believer through the gateways to Kingdom prosperity and presents them with a make-or-break opportunity to move forward in life prosperous and contented. The Word of God is the powerhouse to that fulfillment. The author stresses, however, that obeying God's Word and walking in it is no mean undertaking. He points out that walking in the principles of financial prosperity would not be easy. It comes with a constant barrage of mind-games from the kingdom of darkness to derail God's intention of blessing your life with financial grace, he warns. Overcoming the threats to your financial breakthrough would take real determination and a huge dose of divine grace. At the end of this truth-revealing discourse, you would have understood the dynamics of giving in the light of Scripture and purged yourself of the mentality that makes you reluctant to help people. Your renewed mind on giving will position you for a dramatic flight into supernatural heights of financial breakthroughs. God will reward your giving in such dimensions that will amaze you. This book is a masterpiece on the subject of kingdom prosperity.
