By Andy Wallace

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What is the difference between a good sermon and a bad one? Is preaching an academic exercise or spiritual experience? Can you really come up with fresh material week after week? There are times when we rigorously and thoroughly prepare only to offer a cold formality. On the other hand there have been times when we have spent our study time in passionate pleading only to find ourselves full of desire but lacking in depth. In this overview of the disciplines of preaching and teaching, Pastor Andy tackles these issues and many more while simply laying out a step by step method that will take you from the prayer closet to the pulpit.
