Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Detective Bigfoot and Sergeant West are stalked by a heavily armed gunman in the Australian Outback. Bigfoot is down but not quite out and West has one bullet left! Will they survive? Santa Claus is found dead on Hobart s Mt Wellington on Christmas day! Bigfoot has a problem, the confessions come thick and fast so: Who Killed Santa Claus? The Bigfoot books are funny, hilarious and at the same time poignant, totally irrelevant and deadly serious. Kill or be killed, the first chapter in this book and Who killed Santa Clause? the last chapter are my favorites but but this book is all good. These are whodunits like no other. If you want straight and boring detectives who spend all their time looking at fingerprints these are not the books for you but if you want inspirational but crazy detectives then jump in feet first, I did and I m loving it.
