

Organic Antibiotics and Antivirals Recipes for Healing (Paperback)

By Carol Edison

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is all about the natural ways of treating bacterial and viral infections. The body is always at war with these pathogens. Bacteria and viruses abound in the environment. One way to protect the body is by strengthening the immune system. However, there are times when the immune system can only do so much and the body still gets sick. Chemical drugs are available to treat these various infections. However, their use also means experiencing side effects, which can also be bad for health. These side effects can cause other health problems. Antibacterial drugs also kill the natural bacteria in the body and cause imbalance and health problems. Antiviral drugs are so potent that these can cause damage to normal and healthy tissue in the body. To avoid these, use what nature has against these infections. There are many foods that have potent antibacterial and antiviral properties. They are also effective in curing infections . In this book, learn what different foods, spices and herbs can be used to combat the common infections. Colds, sore throat, cough, flu and...
