

Some Even Volunteered: The First Wolfhounds Pacify Vietnam

Filesize: 2.49 MB

Reviews

This ebook will not be simple to start on reading but very fun to learn. It generally is not going to expense too much. I am very happy to explain how this is the finest book i have read in my very own existence and can be he finest pdf for at any time.

Praeger. Hardcover. Book Condition: New. Hardcover. 192 pages. Dimensions: 8.9in. x 6.1in. x 0.8in. I was hooked by the unusual style and, moreso, by the unusual approach to the familiar material . . . Articulate, sensitive, and intelligent . . . an unusually readable and persuasive narrative. Robert W. Lewis North Dakota Quarterly When in 1968 an American rifle battalion known as the First Wolfhounds landed near Dau Tieng, a rest area controlled by the North Vietnamese Army, they expected to interdict the NVA supply line there within three days. Instead, the soldiers found a prohibitive network of NVA troops, headquarters, hospitals, supplies, and local support for the NVA. It seemed impossible, even for the Wolfhounds, famed for their numbers and fighting strength. In the vivid prose of a mission survivor, *Some Even Volunteered* chronicles these brave soldiers daily, deadly contact with the NVA, their attempts to win the villagers trust, and how they struggled to accept and survive their circumstances. Eight months later, the Wolfhounds succeeded--destroying, in the process, an NVA unit of their own size. Alfred Bradford's sardonic voice is compelling. This narrative is witty, sometimes hilarious, and always captivating. Bradford--now a history professor--also provides one of the most insightful discussions ever written of Vietnam and Apos;s assumed position in military history. *Some Even Volunteered* provides a marvelous description and a succinct evaluation of the life and the achievement of the American soldier in Vietnam trying to win the hearts and minds of the Vietnamese. In a style reminiscent of Michael Herr in *Dispatches* but still distinctly his own, Bradford relates the story of the First Battalion of the 27th Infantry Regiment (First Wolfhounds) of the 25th Infantry Division as they pacified the district of Tri Tam. The First Battalion--which had the highest body count of any rifle battalion...
