What is important in life? Sweet Child of God tells of a mother s journey from childhood, through long illness, and the strong faith that helped her along that journey. It explores the challenges we face when determining priorities in today s society. Finally, it tells of the influence she had in her children s faith and her son s ultimate quest that led him to back to where he started as a boy - with Jesus Christ. There is hope in this world and, although the way may be fraught with difficulty, the destination is worth the journey. At the end of every sunrise, every rainbow, every sunset, the Son of God is there - all we need to do is lay aside the desires of this world and follow Him.
