## HALF-LIFE

Arc Publications. Paperback. Book Condition: new. BRAND NEW, Half-Life, Michael Hulse, Lucid narratives of family dramas, global warming, and conversations with Death make a riveting new collection from this prize-winning poet. The poems swing between Mexico City, New York, the Peloponnese, a Staffordshire village and home - their engagement with the church, art and natural beauty provide sure-footed travelling companions. In an extended sequence, Death relates stories of her encounters with people and culture. This is not to suggest the poems make for comfortable reading: each poem's subject provides an opportunity to challenge and question its integrity. By turns mischievous and assured, this collection becomes more engrossing the more you read.
