Ozark Mountain Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Born Healers is a do-it-yourself guide to enhancing both your personal vibration and your ability to channel that vibration as healing energy to others. It also contains useful information for those who are just starting out on the path of hands-on healers, including working with the chakras and how to structure a healing session. Reverend Victoria Pendragon, DD was called to the laying on of hands by numerous healers who had worked with her both during her 3-year bout with scleroderma and in the years that followed her healing as she dealt with childhood sexual abuse. After working one-on-one with clients for 16 years she was called again, this time to share her gifts and her acquired knowledge with a larger audience, helping both healers and those who are in need of healing to help themselves.
