Reviews

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Leonie Collins)

CAMILLA CHAMELEON

Kids Can Press. Paperback / softback. Book Condition: new. BRAND NEW, Camilla Chameleon, Colleen Sydor, Pascale Constantin, Camilla is a little strange-looking. But she's one talented . girl. She can pick up a hopscotch rock without even bending over. She can look at her teacher with one eye and read a comic book with the other. And, best of all, she can blend in perfectly with her surroundings -- so that no one, not even her parents, can tell she's there. Camouflaging sure comes in handy when it's time for her to go to the doctor or clean out the class hamster cage for her teacher. But one day Camilla blows her cover . and finds herself in the spotlight. Colleen Sydor's spirited story and Pascale Constantin's brilliantly quirky illustrations bring to life a wonderfully weird girl who discovers that standing out isn't so bad after all.
