Pleasure: How Our Brains Make Junk Food, Exercise, Marijuana, Generosity, and Gambling Feel So Good

By David J. Linden

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Pleasure: How Our Brains Make Junk Food, Exercise, Marijuana, Generosity, and Gambling Feel So Good, David J. Linden, The pursuit of pleasure is a central drive of the human animal. Now, award-winning neuro-scientist David J. Linden explains how recent research has enabled us to decipher how and when pleasure takes control of the brain--and won't let go. Combining cutting-edge science with entertaining anecdotes, Linden illuminates how behaviours that lead us to ecstasy can just as easily become compulsive. Why are nicotine and heroin addictive while LSD is not? Why has the search for safe appetite suppressants failed? And in the future, will it be possible to activate our pleasure circuits at will? This eminently enjoyable and provocative book delves beyond what we like into why we can't stop ourselves from liking it--even when we think we can.

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

-- **Dr. Willis Walter**

Totally one of the better publication I have actually read through. It really is rally fascinating through studying time period. Its been printed in an extremely simple way and is particularly just following i finished reading through this ebook in which basically modified me, modify the way i think.
