Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you comfortable making eye contact with anyone? Do you want to be able to do that? Then read Cure Your Shy Eye: Your Practical Guide To Master Eye Contact In 21 Days. 1. This is a practical book on improving eye contact. It contains only relevant and necessary information on developing the skill and habit of making eye contact. It is not about the history of eye contact, its importance, benefits or any of that academic information. If the reader needs such information or needs to be convinced of the importance of making eye contact, this book won't be very helpful for that purpose. 2. This book is for you and your specific situation. This book does not contain general advice like look into the other person's eyes and that will create attraction. It is intended and created specifically for you and your situation. That means, you will have to put effort to get clear about what you need to work on, why you want to do it and come up with your own strategies and plans to take things forward. This book will guide you to do that effectively. 3. Master the basics, rest will follow. This book is about the most basic and the most important social skill, eye contact. It's so basic and simple that its importance is often overlooked. It is highly recommended that you read the book and master eye contact if you want to improve your social skills. If we cannot do this simple thing, if we cannot take this first step of making strong eye contact, how can we expect ourselves to...
