This book is full of light and dark line illustrations with >50+ coloring pages that will keep you busy for weeks or months! These images are hand-drawn, so the lines are organic and feel natural versus mechanically perfect. The artist, Dawn D. This allows the colorist to use their imagination in multiple ways with their choice of media. In this book you will find dozens of illustrations created from the artist s hand-drawn original inspired sketches. You will find intermediate to complicated images in this coloring book, including heavy lined drawings with simple shapes and designs and more fine-art styles with varied line weights (thin to medium).
