

Daddy

By Danielle Steel

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Daddy, Danielle Steel, Oliver Watson has worked hard to build a safe, predictable world. But suddenly it seems to dissolve around him. The marriage he thought was perfect crumbles after eighteen years. His mother is killed in an untimely accident, leaving his father newly widowed and trying, at seventy-two, to build a new world for himself. Oliver's eldest son rejects him and reaches out towards a life of his own, a life he is not mature enough to handle. Melissa, his daughter, unequivocally blames her father for her mother's desertion, while Sam, the 'baby', is too shaken to deal with it all. Now the only parent, Daddy must somehow cope with his troubled family, even as he explores an unknown world of new responsibilities, new women, and new experiences that are funny, sad, touching, scary, poignant, but always real.

Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

-- **Mr. Jeramy Leuschke IV**

These kinds of ebook is almost everything and got me to searching forward and a lot more. It usually does not price excessive. Its been written in an exceedingly basic way and is particularly only following i finished reading through this pdf through which in fact modified me, alter the way i really believe.
