Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Aliya Franecki)

FULL METAL PANIC!

[DOWNLOAD](#)

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Full Metal Panic! (often abbreviated to FMP!) is an ongoing series of light novels written by Shoji Gatoh and illustrated by Shiki Douji. The series follows Sousuke Sagara, a member of the covert anti-terrorist military organization known as Mithril, tasked with protecting Kaname Chidori, a spirited Japanese high school girl. Individual chapters are published on Monthly Dragon Magazine, followed by a paperback compilation released by Fujimi Shobo's Fujimi Fantasia Bunko. The novels are split between stories focusing on Sousuke's mission as a soldier of Mithril and comedic side stories centered on his life at Jindai High School. The series has been adapted into different media; including three animated television series: Full Metal Panic! by Gonzo in 2002, Full Metal Panic Fumoffu and Full Metal Panic! The Second Raid by Kyoto Animation in 2003 and 2005 respectively. An OVA was also released in 2006; and five different manga series. 160 pp. Englisch.
