Time Warner Paperbacks, 2003. Soft cover. Condition: New. New & dispatched within 1 working day _____ WANTED - producers, presenters, technicians, scriptwriters, buyers, office staff to help set up a brand new shopping channel, Getting It. Qualifications: You don't need a sense of humour to work here - you must be crazy. Salary: how low can you go? Stella and Fran are in their early forties and have secret hopes that the channel will brighten up their rather dull lives and catapult them into a new world of show biz. They are delighted when taken on. But it doesn't quite work out like that. Products collapse during live demonstrations, prices given out are wrong, descriptions don't match the products. Complaints pour in both from the public and the statutory bodies. Word gets round, journalists start to pick up the story and viewing figures rocket as people tune in just to see if there are any more bloopers. It becomes a success! However, fame isn't quite what Stella and Fran envisaged and, by the end, they realise they just aren't cut out for that sort of life.
