History Press (SC), United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. From the end of the Great War to the final years of the 1950s, Kansas Citians lived in a manner worthy of a place called Paris of the Plains. The title did more than nod to the perfumed ladies who shopped at Harzfeld s Parisian or the one-thousand-foot television antenna nicknamed the Eye-full Tower. It spoke to the character of a town that worked for Boss Tom and danced for Count Basie but transcended both the Pendergast era and the Jazz Age. Author John Simonson introduces readers to a town of vaudeville shows and screened-in porches, where fleets of cream-and-black streetcars passed beneath a canopy of elms. This is a history that smells equally of lilacs and stockyards and bursts with the clamor of gunshots, radio baseball and the distant whistle of a night train.
