Child of War, is based on a combination of real stories and events from my year filming child soldiers for the charity, SOS Children s villages. An eleven year old, Sudanese boy is separated from his family when the local militia burn down his village. After, experiencing many atrocities as a child soldier in a brutal war, the boy finds himself walking across Sudan with a stray Donkey for company. The story captures the relationship of the child and the donkey as he tries to survive a journey through a war torn country.
