Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from History of the Chisholms: With Genealogies of the Principal, Families of the Name The history OF the chisholms, as given in this volume, is not an ambitious work. The materials are not extensive, and those available are not of an important or stirring character. I claim to have disposed of the absurd and ground less contention, so long maintained by the Northern clan, that they sprang originally from the Earls of Caithness and Orkney, and to have established, on the contrary, that they first came to the Highlands from the Scottish Borders, and that all the families of the name, north and south, can trace their descent to one common ancestor, heard of for the first time in Scotland in the county of Roxburgh towards the end of the thirteenth century. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
