Brand New Book ***** Print on Demand *****.This Book Includes 2 Manuscripts How To Analyze People Become A Master In Reading Anyone Instantly If there s a single most important skill you can pick up in today s globally connected and technically savvy world, it s the ability to analyze people. How do you determine a good fit for your organization while interviewing potential hires? How do you approach strangers? How about a crush or potential date? How do you build a stunning rapport with clients by diving into their head? Learning to read other people gives you a definite edge in terms of predicting behavior, modeling your actions to build a favorable rapport with people, forging more fulfilling personal relationships and excelling at building professional relationships. No, I am not suggesting you switch careers to be an FBI agent. However, it doesn t hurt to possess their sharp people analyzing acumen, does it? Some people unwittingly emanate signals that make them stand out as soft targets; others give out way too many aggressive signals for their own good. Being aware of your verbal and non-verbal communication patterns...
