Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from London Town, Past and Present, Vol. 1 of 4: Historical, Descriptive, Anecdotal Although of books on London the name is legion, the reception accorded to the present work in serial form has shown that there was room left for a book which aims at giving, in the itinerary form, a descriptive and historical account of the cities and boroughs that make up the Administrative County of London, with some speculations upon the future of the Metropolis. At the cost of some slight repetition I have aimed at making each chapter as far as possible self-containing, so that the reader may not be distracted by a multitude of cross-references. In the section which has the City of London for its theme, I have been glad to draw upon the books published under the auspices of the...
