

Por Escrito

By Jorge Febles, Carolyn Harris

Pearson Education (US), United States, 2009. Paperback. Book Condition: New. 2nd Revised edition. 246 x 201 mm. Language: English, Spanish . Brand New Book. Por escrito employs a step-by-step, task-oriented approach directed to intermediate and third-year students of Spanish. Students develop fundamental writing skills through a review of very specific grammatical topics and original reading selections. The material evolves from the simple to the complex, focusing first on description, then on narrative prose, and finally on expository writing of an argumentative and analytical nature. By following the prescribed method, students learn to write clearly and to communicate efficiently, avoiding the perils of direct translation. As a result, students increase their understanding of Spanish syntax and begin to develop a sense of style in the target language.
