DAVIDS OCEAN JOURNEY

Createspace, United States, 2012. Paperback. Book Condition: New. Mrs Sue S Miller (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.David is a young boy of 10, who has a special place he goes where he dreams amazing dreams. In his dreams he can fly about the lake near his home and he meets his friend Alexander, who is an angel. They enjoy flying together around the lake and then Alexander takes him for his first visit to the ocean. As they rest on the beach, David hears a mysterious song coming from the sea that captivates him and draws him into the water. They meet dolphin guides who take them far out and then down to an amazing underwater cathedral inside a coral reef. Here all the dolphins, whales and other sea creatures have gathered to meet with their Creator, who appears in blinding light. As a voice from the Glorious Presence pronounces a blessing on them all, He beckons David to come closer and receive a special blessing. When David finds himself back on the grassy shore of the lake he finds that he has been given a special reminder of his amazing visit to the ocean. He is filled with joy as he goes on his way. This story teaches a special lesson, that few truly understand, that worship of our Creator is a great privilege that can bring real joy to our hearts. This secret of the Christian life needs to be told and retold to all that will hear as we all face many challenges in our daily lives. The young person who learns this lesson early on will fare better in their Christian life and walk closer to their Lord.
