THE BLOOD OF THE MARTYRS (PAPERBACK)

Canongate Books Ltd, United Kingdom, 2001. Paperback. Condition: New. Main. Language: English . Brand New Book. Introduced by Donald Smith. Set in Rome during Nero's reign of terror, *The Blood of the Martyrs* is a disciplined historical novel tracing the destruction of one cell of the early church. With a cast of slaves, ordinary Roman people, exiles and entertainers, it is thorough in its historical interpretation and in its determination to make the past accessible and readable. Written in 1938-9, the novel contains many symbolic parallels to the rise of European fascism in the 1930s and the desperate plight of persecuted minorities such as the Jews and the left-wing activists with whom Naomi Mitchison personally campaigned at the time. With the invasion of Britain a real possibility, she felt compelled to write a testament to the power of human solidarity which, even faced with death, can overcome the worst that human evil can achieve. *The Blood of the Martyrs* is the least autobiographical of Mitchison's major works of fiction, yet, with its implicit credo, is her most passionately self-revealing.
