A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

Brand New Book ***** Print on Demand *****.This trio of plays explores the use of drama as a support in healing, training, and entertaining all. Using the healing and accessible art of theater, timely interests-addiction, HIV, mental illness, racial injustice, sexual harassment, and more-are brought to life in a trio of contemporary scripts. In the title play, The Stakes, an idealistic African American social worker-the target of workplace racism, sexual harassment, and political machinations-is encouraged by a coworker who shares with her his enthusiasm for African proverbs. A young woman strives to overcome her dual afflictions of mental illness and substance dependence in Abiona. With the help of health-care professionals, plus her own insights related to her African heritage, she learns to find hope again. In an addiction-recovery center, one man struggles in his quest for sobriety. He finds solace in learning that the origins of the group s holiday celebration can be found in African traditions. GumBO won the 2000 Script Writing Award given by the Gwendolyn Brooks Center of Chicago.
