

Women R Stupid Men R the Reason (Paperback)

By Steven Barthell

Aziza Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For centuries men and women have been at each others throats about who is right and who is wrong. We end up blaming each other for our struggles and failures because we as people just don t get it. How many times are we going to be blind about our own inconsistencies, insecurities and misfortunes in life despite having 20/20 vision? The violence worldwide has gotten out of control especially in our inner cities and at the end of the day it s most likely because of something foolish like: hating on someone, lack of finances, or losing touch with the more important things in life. We no longer listen to each other nor do we communicate effectively. We live in a society where settling and playing our position is accepted but why? When was it ever cool to be someone s Baby Daddy or Mama ? When was it okay to be Boyfriend or Girlfriend #2 ? Why don t young men and women dread the word marriage? How do people get over bridges? When is it a good time to...
