Human by Design: From Evolution by Chance to Transformation by Choice (Hardback)

By Gregg Braden

Hay House Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Human by Design invites you on a journey beyond Darwin's theory of evolution, beginning with the fact that we exist as we do, even more empowered, and more connected with ourselves and the world, than scientists have believed possible. In one of the great ironies of the modern world, the science that was expected to solve life's mysteries has done just the opposite. New discoveries have led to more unanswered questions, created deeper mysteries, and brought us to the brink of forbidden territory when it comes to explaining our origin and existence. These discoveries reveal the following facts: - Fact 1. Our origin-Modern humans appeared suddenly on earth approximately 200,000 years ago, with the advanced brain, nervous system, and capabilities that set them apart from all other known forms of life already developed, rather than having developed slowly and gradually over a long period of time. - Fact 2. Missing physical evidence-The relationships shown on the conventional tree of human evolution are speculative connections only. While they are believed to exist, a 150-year search has failed to produce the physical evidence that confirms...
