It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Do you practise meditation because you want to feel good? Or to help you relax and be happy ? Then frankly, according to Dzongsar Jamyang Khyentse, you are far better off having a full-body massage than trying to practise the Dharma. Genuine spiritual practice, not least the Ngndro preliminaries, will not bring the kind of comfort and ease most worldly people crave. Quite the opposite, in fact. But if your ultimate goal is enlightenment, Ngndro practice is a must, and Not for Happiness your perfect guide, as it contains everything an aspiring practitioner needs to get started, including advice about: developing renunciation mind discipline, meditation, and wisdom using your imagination in visualization practice why you need a guru.
