Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE MAESTRO OF ALMIJARA (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Melissa Launay (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Inspired by true events that happened in Frigiliana in southern Spain in the 1970 s, this, the second of Drew Launay s Almjara novels, reunites us with his loveable cast of characters dealing with life in a typical Andalucian mountain pueblo, as well as struggling to come to terms with the modern world of telephones, electricity, and foreigners. From the pompous school teacher Maestro Munoz, the village s self-appointed intellectual, to canny Placido, owner of the Bar Alhambra, whose wife Conchita always nags him whenever she has the chance , we return to the Andalucia a few years after the death of General Franco, when telephones and electricity are still a marvel, and where every doorway is open to every neighbour and passerby, (which, of course, is also the best way to find out any gossip). Who was the rich stranger staying at the Bar Alhambra? Why did he want to buy the barren and unprofitable olive groves? The dusty streets of the Spanish village of Almjara are buzzing with fevered speculation. As insignificant an event as the arrival of an extranjero is big news in tiny, secluded Almjara. Imagine the hullabaloo caused by a whole film crew with lights, cameras and lots of money, who swarmed in one day. But despite such upsets, the villagers simply drink, laugh, relax and life continues much as it has for centuries.
