## STRANGE WAY OUT (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sammy is a man with problems. Most of the time, he doesn't remember what day it is, what town he lives in, or even what he's doing on a day-to-day basis. Sammy's worst problem is that all his other problems are his own fault. He's twenty-six, has no job, and lives with his mom - and he spends all his efforts trying to hide his dark secrets from the world, and from himself. One day, during a routine trip to commit mail fraud, his life takes a turn for the weird. What is for him a normal morning becomes the strangest situation he has ever faced: and it only snowballs from there. But is his day merely strange, or is it a Strange Way Out? Along the way, he meets a new friend, is forced to confront his darkest secrets, and faced with a choice: keep his secrets inside, to rot him from the inside out, or expose his truth for the world to see and judge. A fight for survival in every sense - physical, emotional, and spiritual - Strange Way Out is a story of one young man's dawning realization that he has a part to play in his own life, and his struggle to find the courage to play that part as best he can, for better or worse, in the face of seemingly unnatural terrors and all too human threats to his existence.
