Imagine & Create a New World: A Workbook for Women Coming out of Abusive Relationships

By Mary Bader

University Press of America. Paperback. Book Condition: new. BRAND NEW, Imagine & Create a New World: A Workbook for Women Coming out of Abusive Relationships, Mary Bader, Imagine and Create a New World offers hope to women who are considering leaving their abusers and invites them to imagine and create a world without violence. In a world where change might seem impossible, Bader presents new ways for responding to domestic abuse. The reader is encouraged to reflect upon the past, the present, and the future to explore possibilities for change and to create a framework for these possibilities to become reality. Bader looks closely at biblical passages that are frequently used to justify domestic abuse and suggests alternate interpretations. Reconstructing excerpts from the Bible, Bader insightfully puts forth the keys to a healthy relationship: equality, respect, and love. Imagine and Create a New World will serve as an invaluable source of emotional and spiritual support for both individuals and recovery groups. Above all, this book will empower women to create a new world full of promise, strength, and self-development.
