Daddy s Little Secret: A Daughter s Quest to Solve Her Father s Brutal Murder (Paperback)

By Denise Wallace

WildBlue Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Daughter s Quest To Solve Her Father s Brutal Murder is the poignant true crime story about a daughter who, upon her father s murder, learns of his secret double-life. In her quest to assist the detectives, the daughter and author discovers deadly secrets that could help her father s killer escape the death penalty, should she come forward. From the Book: He cruised by slowly, peering intently over his steering wheel at the well-manicured grounds. Though he had been brought up in the Bible Belt of North Carolina, Wes had not attended worship services there. He had gone to the church on this day for another reason: Derek Carney. Carney was a twenty-two-year-old white youth who had been sleeping on the church grounds. Wes wanted to once again offer him a place to stay for the night and was hoping the young man would take him up on the offer this time. The young heroin addict had discovered that he could shoot up in the bathroom of the church despite his filthy, disheveled appearance and not get caught. Most other churches...

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

This type of publication is almost everything and helped me look forward and much more. I am quite late in starting reading this one, but better than never. You won't really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
