Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What would you do if I told you that you could easily build wealth? That s right! You can become a self-made millionaire, as long as you are fully motivated and are willing to work hard for it. Any individual, including yourself, is able to bring in a large amount of money and live the lifestyle they have always dreamed of. Mind you, when I talk about being motivated, I m not talking about wanting money - that s not true motivation. Every person out there wants MORE money, right? The difference between wanting money and being motivated by money involves the willingness to take the necessary actions in order to make it. If you are looking for secrets to becoming a multimillionaire without putting in a large amount of work, you have come to the wrong place . the wrong place is planet Earth, because there is no such thing as becoming a millionaire without hard work, unless you win the lottery. Becoming a millionaire is all about doing the jobs that others stay away from. It is about getting on airplanes, getting up early, staying up late, missing your family and putting a lot of thought into your work. The more people you reach out to and serve, the more money you are going to make. The more people that benefit from the company you have created, the more money you will earn. If you want money, you re never going to have it, unless you re lucky. You have to be motivated enough to push yourself to wake up early and work long hours - you have to be motivated to work harder than others. If you are willing...
