

Elizabethan Sonnet-Cycles: Delia - Diana (Paperback)

By Henry Constable, Samuel Daniel

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Daniel s sonnet series has been by many regarded as the prototype of Shakespeare s. It is true that several of Daniel s themes are repeated in the cycle composed by the greater poet. The ideas of immortality in verse, the transitoriness of beauty, the assurances of truth, the humility and the woes of the lover, the pain of separation and the comfort of night thoughts, shape the mood of both poets. But these motives are also found in the pages of many other sonneteers of the time.
