Book preached the idea is widely accepted. happiness. health. prosperity and success will be like a lot of ideas. But our view may to subvert your existing lifestyle. Summary is an extremely presumptuous. Fred Gratton debunk the myth of the hard work. He boasted loudly. in fact. work hard worthless! Work hard not to have been the cornerstone; hard work has nothing to do with the success of the relationship; hard work occasionally come together successfully. it must be purely coincidental. no causal relationship between the two. He not only explains why the success of the total from the discovery method to avoid work. and shows how to avoid work and success. Any book you've ever read or seen Fred Gratton and Laurence Shore co-created a philosophical and artistic inspirational classic. it stimulates. fun. profound. abundant in quantity. and rarely match the Table of Contents Introduction: debunk myth of anecdotes work hard: Chapter 1 Working laziness into the wind? ? ?
