NECTAR FOR THE SOUL

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 118 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. This is a motivational and spiritual book and is intended for readers who have or are suffering from hate, anger, pain, resentment and those who are unable to forgive. One could say. . . the typical human being! All of this not being intentional but instilled by external and internal factors of life. This book illustrates how we as human beings have become victims of our past actions, and as we battle with our issues we tend to collect anger, which is then disguised as a personality that we have. We all stumble and fall and we need help to get back on track. When we stumble, trip and fall, we become bitter and because of that bitterness and resentment, the whole relationship we have with ourselves gets destroyed. Walk with Toyi in making your dreams come true. You are your own destiny. If you have felt like you have wasted part or parts of your life, God will gather those years and restore them back to you. Stand up, acknowledge and move forward. There is no key to happiness but happiness is a freedom. You are your own destiny. This item ships from La Vergne, TN. Paperback.
