Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Love, God Neurons is a hair-raising tale of a naive college dropout from Bengal becoming one of twenty-first century s most influential minds in Neuroscience. Called a self-trained scientist and thinker (Michael Persinger) and a prolific, imaginative neuroscientist (Ronald Cicurel), Abhijit Naskar cheerfully looks back on years of philosophical, spiritual and scientific adventures, while closely analyzing them with the Science of the Mind. In his surreal and captivating manner of writing, he gives us a glimpse of the internal molecular storms that used to give him countless sleepless nights and how those nights led to some of the brightest days in the history of scientific investigation. In Love, God Neurons Naskar offers a candid look at the events, emotions and people that steered his life through the mesmerizing alleys of philosophy and some mystical and romantic experiences that ultimately inspired him to utilize the modern tools of science in the pursuit of lavishing human life with colors and self-awareness.
