## THIS LONG PURSUIT: REFLECTIONS OF A ROMANTIC BIOGRAPHER (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. `A masterly performance by the greatest literary biographer of his generation Oldie In this kaleidoscope of stories spanning art, science and poetry, award-winning writer Richard Holmes travels across three centuries, through much of Europe and into the lively company of many earlier biographers. Central to this pursuit is a powerful evocation of the lives of women both scientific and literary, some well-known and others almost lost: Margaret Cavendish, Mary Somerville, Germaine de Stael, Mary Wollstonecraft and Zelide. He investigates the love-stunned John Keats, the waterlogged Percy Bysshe Shelley, the chocolate-box painter Thomas Lawrence, the opium-soaked genius Coleridge, and the mad-visionary bard William Blake. The diversity of Holmes s material is testimony to his empathy, erudition and at times his mischievous streak. This is his most personal and seductive writing yet.
