iUniverse, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you want to become a successful businessperson, then get ready to invest. That's one of the lessons in this guide to launching a business, which begins with two of the authors sharing how they teamed up to start a food truck business. To start, they needed \$14,000, but before that they needed an investment plan and business plan. From there, it was all about putting their money to work and executing their plan. In this guide, the authors draw on their combined experience to help others: write a successful business plan; position a venture to succeed; and establish short- and long-term goals. The authors also urge aspiring entrepreneurs to launch a business now instead of waiting. They point out that failure is temporary and that most successful people became that way after failing and refusing to give up. Get a roadmap to accomplish your goals along with case studies, inspirational quotes, and more in **You Are the Next Billionaire**.
