## KATAOKA PERFORMS THE SUZUKI PIANO SCHOOL

[DOWNLOAD](#)

Alfred Pub Co, 2006. CD-Audio. Condition: New. Language: English . Brand New. The SUZUKI METHOD of Talent Education is based on Dr. Shinichi Suzuki's view that every child is born with ability, and that man is the son of his environment. According to Dr. Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human behavior. Students are taught using the "mother-tongue" approach. This companion CD to Suzuki Piano School Volume 1 was recorded by Haruko Kataoka, a co-founder--along with Dr. Suzuki and his sister-in-law, Shizuko Suzuki--of the Suzuki Piano Method. During her time as the accompanist for Dr. Suzuki's violin classes at the Talent Education Research Institute, she began to research piano pedagogy according to Dr. Suzuki's method of teaching the violin. From that time onward, she traveled extensively training teachers and teaching students. In addition to her training seminars in Matsumoto, Japan, she provided training at universities in North America, Europe and Australia.
