JUSTICE FAILED: HOW LEGAL ETHICS KEPT ME IN PRISON FOR 26 YEARS (HARDBACK)

COUNTERPOINT, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. An Official Junior Library Guild Selection, Adult Crossover Nonfiction A shocking tale of wrongful conviction . . . that brings general conditions into cruelly sharp focus. --Kirkus Reviews Justice Failed is the story of Alton Logan, an African American man who served twenty-six years in prison for a murder he did not commit. In 1983, Logan was falsely convicted of fatally shooting an off-duty Cook County corrections officer, Lloyd M. Wickliffe, at a Chicago-area McDonald s, and sentenced to life in prison. While serving time for unrelated charges, Andrew Wilson--the true murderer--admitted his guilt to his own lawyers, Dale Coventry and Jamie Kunz. However, bound by the legal code of ethics known as the absolutism of client-attorney privilege, Coventry and Kunz could not take action. Instead, they signed an affidavit proclaiming Logan s innocence and locked the document in a hidden strong box. It wasn t until after Wilson s death in 2007 that his lawyers were able to come forward with the evidence that would eventually set Alton Logan free after twenty-six years in prison. Written in collaboration with veteran journalist Berl Falbaum, Justice Failed explores the sharp divide that exists between commonsense morality--an innocent man should be free--and the rigid ethics of the law that superseded that morality. Throughout the book, in-depth interviews and legal analyses give way to Alton Logan himself as he tells his own story, from his childhood in Chicago to the devastating impact that the loss of a quarter century has had on his life--he entered prison at twenty-eight years of age, and was released at fifty-five.
