BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. Forgiveness Reiki is an entertaining narrative of the author's spiritual journey that includes instruction in both hands-on healing and forgiveness. When the author's sixteen year old son, Maurice, took his own life, the author led his church congregation in chanting I love you Maurice and I forgive you. Many told him afterwards how they felt a spiritual shift from the experience. Van Hecke was encouraged to write about how he could have done this at such a vulnerable moment. He explains how it was his practice of The Jesus Healing System and Forgiveness Reiki that empowered him to do so. This book includes attunements to Forgiveness Reiki and The Jesus Healing System. The author provides practical tools for Forgiveness Reiki practitioners such as JHS Forgiveness Prayers, the JHS Loving Emotions (healing symbols), and The Physical Manifestation of UnLove (a list of symptoms and conditions). A long-time Reiki master and an active member of his local Methodist church, the author nudges both spiritual communities to look in the mirror. Both Christians and non-Christians alike will find much food for thought in the insights of this healing practitioner. The author explores how to utilize prayer and distance healing to expand the crown chakra and how this might impact society. He discusses Blessing when one does not know if healing is desired. He shares how Reiki opened him spiritually so that he could experience the love of Christ. One of the JHS Prayers includes forgiving self-imposed judgements of the Church. He encourages Reiki practitioners to find a church community, start healing circles and help re-shape the church of tomorrow to be more like the ancient church of The Way.
