E-Booktime, LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book of Essays on Creation reconciles the major trends of traditional theology with the findings of modern science to challenge the doubts, skepticism and biblical criticism through historical background and rational analysis. It combines contemporary arguments to offer ideal solutions for the pressing problems of our day in terms of the origin of life, uniqueness of Christian doctrine and the ultimate truths. It guides to an understanding that the ideas and forces beyond science and Christianity are compatible.
